In partnership with PFLAG NYC, The Center invites parents, family members and friends of transgender and gender nonconforming loved ones to a monthly support group. No matter when your loved one disclosed his/her/their gender identity, or what stage of transition he/she/they are in, join with others to meet understanding friends, share information, and get and provide support.

Please note: If you are bringing someone with you who is younger than high-school age, please notify us beforehand by emailing transgender@pflagnyc.org.
